The 75 counties of Arkansas were for the most part given their official names in honor of some national or state leader who figured in the early peace or wartime history of the state and federal governments. However, several received their designations from the names of rivers, natural formations or in commemoration of the Declaration of Independence and the union of colonial states. Dates of their creation and distinguished men or highlights in history for which their counties were given their names was copied from an old newspaper (date unknown) but possibly the newspaper was the Arkansas Gazette, published in Little Rock, Arkansas.

EDITOR'S NOTE: At least one County History has been published, for most of these counties. Write the Library of the county (Enclose self addressed stamped envelope - S.A.S.E.) for the address to buy or at least research.

EDITOR'S NOTE: This is our ANCESTOR CHART VOLUME TWELVE (XII). Our membership list is growing each day & many of our member have found many unknown relatives thru our many many projects.

On or before our Annual Meeting this October 14th, 1978 we hope to have Volume XIII completed, that will make five Volumes of Ancestor Charts this 1978 year.

Also on or before our Annual Meeting we hope to complete Volume I and also our Volume II Family Group Sheet Volumes. We have been gathering all these Charts and due to our large increase in membership, we have had to reprint several quarterlies, so our new members could enjoy all the issues for this year.

If you have not sent your Ancestor Chart for publication (you are missing many contacts) but it is not too late do it now, as there will come a time when we will not publish them any longer. Type them if possible, with a good dark ribbon, and clean typewriter keys. Remember - the original must be good, or the copy will not be good. If you cannot type, write as clear as possible, and we hope some of our volunteer members will type them for you. Sincerely

Elaine Weir Cia, Editor
