## Last 1983 Notes From Your Editor

DEAR MEMBERS AND READERS OF OUR ARKANSAS FAMILY HISTORIAN:

Should your name not be included on the Membership List for 1983...do not be alarmed! Our Membership List is so long, the typing was started in early September, and we did think we could keep the list current with the renewals, and new members, but we soon gave up on that idea. Even when a new membership comes in November, the request is "please begin as soon as possible", and many have come in since this list was started! All of us are so busy, and live so far apart (NOT all in one office, or building...as has been mentioned many times) it is hard to complete so many different projects, but we do TRY!

IT IS ALSO VERY HARD TO KEEP OUR PUBLICATION to about the same size! This almost needs to be done...as the envelope will hold 2 quarterlies only! and if one is large and the other one small, the two large ones will not fit! All these things have been worked out in the past (we try to save all we can) whether it is your money or the money that belongs to our Society). We have considered NOT publishing the membership list, but so many contacts are made among the members thru that list, we decided to continue that for the time being! Also many questions are answered with the DIRECTORY of the various Historical and Genealogical Societies, so that was continued! A good researcher needs all these helpful lists, but we also need to stay within our budget. If you have an article on your Family and would like to share it with others, let us know, and we will make an effort to find space!

# RENEWAL TIME!

## *From Our President!*

Dear Members:

This letter is being written as the year-end issue of The Arkansas Family Historian is being finished for publishing. 1983 will complete the 21st year of the Arkansas Genealogical Society. Throughout this period of time, much has been accomplished by the society and its members, and much more will be accomplished in the future. The purposes and objectives remain the same--the sharing of genealogical information among our members. Those of us involved with our publication are very dedicated to getting as much Arkansas information in our quarterlies as we can; this will provide more people with access to information and be an avenue of assistance to those who may be "stuck" in Arkansas or with an Arkansas line.

At this writing, the 1983 State Fair has just concluded. It is reported that there was more attendance than any year in the past. I can believe it! The Arkansas Genealogical Society again had an exhibit there, manned with volunteers, and it was quite an experience for me to help one day there. I hope many of you got a chance to go by our booth and visit, and that it will encourage you to help promote AGS whenever you can.

The membership list in this issue shows our active members as of October 10, 1983. Many of you have renewed for 1984, and several have sent their renewals for 1985 (and a few beyond that). This is of great help in planning for the next year.

Thanks to each of you who has contributed material for the Historian, and to those who have helped in getting it ready for publication. I invite your comments and suggestions, and, of course, will welcome hearing from you. If you have source material you would like included in a future issue, let me know. If you don't know how to put it in form for printing, I will be glad to help in any way I can; or write to any of our Board members -- they are all interested in this society and we share the common goal of promoting genealogy in our state.

I have enjoyed serving as your President this year, and appreciate the support given me by all involved. As long as the spirit of teamwork and cooperation continues to prevail, we will remain about the best society in existence.

Best regards,

*Margaret Hubbard*  
Margaret Hubbard

P. S. FROM YOUR EDITOR: Our Fall Seminar was a great success! We had a great attendance, and some of you may well remember a bad rainy day at the University of Arkansas at Little Rock, when we did not have enough space for our group, plus the ones that came as far away as Fayetteville in the rain...and how we managed to finally find seats for everyone...that did not happen this time! We are happy to say we have a large auditorium at the University of Arkansas Medical Science Campus. and I hope we need to begin having problems in a few years, but at present, your Editor is not worrying about seating space. The Cafeteria was ready and the crowd was served in record time. Many books were displayed, some for the first time (some will not be displayed again, as they are out of print!)

Our Speaker Mrs. Jo White Linn gave a super program on North Carolina Research! We all enjoyed the entire day. Those of you who missed that day will be sorry when you need to research in North Carolina. Every good speaker tells us much we need to know, and whether you are interested in that particular State or not, much of the basic material is worth your time, we have a bad habit of forgetting some of the important basic information, etc.

Of the three Door Prize Winners, we have heard from two, Dorothy McBride (Mrs. Haydn H. McBride, Jr.) of Eldorado and Caroline Witten from Boise City, Oklahoma, both with kind remarks such as "I would like to Thank all those who worked so hard to put together the SEMINAR. I truly enjoyed it and hope I can attend again. My 800 mile trip was well worth it!" We thought Caroline came the longest distance, but one was here from Hawaii and several others were from a long distance.

SEND YOUR MEMBERSHIP FEE BEFORE JANUARY 1, 1984 if you have not already sent your 1984 RENEWAL! IF YOU FORGET NOW...AFTER ALL THESE REMINDERS.....!!!!!!!!!!!!!!  
MANY THANKS TO ALL WHO HAVE RENEWED FOR 1984...SOME FOR 1987

Happy Holidays and good genealogical hunting in 1984!

**SOURCE MATERIAL FOR ARKANSAS RESEARCHERS TO PURCHASE:**

We have revised our list (some books are already out of print...most of these books were printed in either 100 or 200 groups, so if you are interested in any of the books on this list, do not wait to order! More books will be added, to our list, so if you have a book, printed in the past few years, or if you know of a good Arkansas Source book, let us know!) We have constant requests for...the names, and authors of CEMETERY, CENSUS, MARRIAGE, VARIOUS FAMILY BOOKS, etc. BOOKS IN PRINT, and where they might purchase a copy. MARION COUNTY, ARKANSAS  
RECORDS OF HISTORICAL INTEREST IN A PRIVATE COLLECTION

Henderson H. Fee (1820-1915) and son, Benjamin Franklin Fee (1850-1937) were attorneys who were active in the civic and community affairs of Marion County during some of its most interesting years of development. Both men served terms as Marion County Judge, H. Fee from 1882 to 1884 and B.F. Fee from 1902 to 1906. It would appear that B.F. Fee was something of a pack-rat, since several boxes of assorted papers were found at his death, containing both personal and professional items. Many of these are of little historic value: clippings of poems, Biblical lessons, accounts of Confederate heroes, treatises on moral issues, recipes for home medicaments, methods for grafting trees, legal references, election returns, political lists, newspaper accounts of various legal and criminal happenings, and the like. Three or four notebooks deal with personal financial accounts and transactions. One notebook contains scribbled notes apparently made in preparation for trial hearings during his tenure as County Judge.

The miscellaneous items listed below are drawn from this larger volume of material in the belief that they may have some current historic or genealogical interest. It seems likely that primary source materials prior to August 1888 may be of particular value since the Marion County Courthouse burned at that time, destroying most of the old records.

The author is grateful to Lena Mae (Mrs. George Newman) Fee of Cassville, Arkansas, and to Betty Lou (Mrs. William Dennis) McCrotty of Cotter, Arkansas for permission to catalogue these family records. Mrs. Fee is the daughter-in-law of B.F. Fee, Esq., and Mrs. McCrotty is his granddaughter.

9 March 1872. State of Arkansas, plaintiff, vs B. FEE and G. LAYTON, defendants in Marion Circuit Court. \$8.00 to be paid to ARCH ADCOCK for debts in four days attendance as witness in the March Court, 1872. s/ JOHN H. THOMPSON, Clerk

15 Sept. 1878. Letterhead: PATTERSON & CRUMP, Attorneys at Law, Harrison, Arkansas. "Dear young friend, Your interesting letter in answer to mine is received; it gives me much heart pleasure to read your noble resolves. I fancy I see a man and hear him speak a resolution from the very depths of honest conviction of the glorious reciprocity of the thing. As I have said before, I know whereof I speak, and although never a drunkard, yet I am first to confess that the use of alcoholic drinks has been the worst enemy I ever had, directly and indirectly; it has cost me fortunes and peace, and so it will be with any man who will yield to its influence. For me to say that, but for that. I could have held any position the state has had to bestow, is simply saying what I know to be true, but for that I could today have been in the U.S. Senate as easy as to have turned my hand over, and yet I was never absolutely drunk. I am glad of the tone of your letter you are safe. I conjure you to "hold the fort". You will soon get strong and will then rejoice. My kind regards to your wife, too. I rejoice with her. It will be delightful to have your letters upon this as well as other subjects. I am truly your friend". s/ J.H. PATTERSON.

10 Dec. 1878. Notice: U.S. Land Office, Harrison. Complaint having been entered at this office by E.J. RHODES against CHARLES W. 11 Mar. 1881. Letter from Little Rock to Hon. W.B. FLIPPIN: "Dear Sir: After having saw a letter from you to Bro. BRESHERERS I now write you complaint to the Bro. about me allowing TATE of Baxter (County) to crop our (Marion) County. In anser I say that you nor no other man could helped under the same circumstances. First, TATE presented the bill the first I knew of his intent. Second, he presented a petition from ever man in that section asked for with notice sworn to. Third, he had two scales made from different maps of the our (sic) county. One showed 889 square miles from yore friend in the land comissioners, second from the auditor of state, auditor showing 641.15 square miles which scale I had made myself. I am inclined to think it right though I am not positive as to that, owing the line between Boone and Missouri and Marion not being well defined. Fourth, he showed that we had a population of nearly eight thousand inhabitants, all of which I was unable to defeat. I made the best fight I could but not being one of the thin haired crowd I was defeated. Hope to be excused though no apologies, to the very Resfr (?)". s/ F.M. CASH. "A true copeny". s/ W.S. FLOYD, J.A. DODSON, B.F. FEE.

(Note: W.B. Flippin served as representative for Marion County in the Arkansas Twenty-Second General Assembly, 1879, and F.M. Cash served as the Marion County representative in the Twenty-Third and Twenty-Fourth General Assemblies, 1881-1883. "Tate" apparently is V.B. TATE, the Baxter County representative in the Twenty-First through Twenty-Third General Assemblies.)

WOODRUFF, Treas., by J.H. BLOCKER.

On the 27th of last July, one G.P. CAWSO, a deputy sheriff of your county, came to Little Rock with some insane people: he came to me and

"MARION COUNTY, ARKANSAS"

said that he had left home very unexpectedly without seeing the sheriff, whom he said was out making the canvass, and had not enough of money to go home on, and asked knowing me slightly, asked me to loan him twenty dollars, saying at the time that he would remit at once on reaching home. I let him have the amount, of course, taking his due bill, supposing that he would do as he said, but he has never paid me, nor has he even answered any of my letters that I have wrote him in regard to it. I would like to know if you can collect it for me, and if so please let me hear from you at once. Do you recollect about a year ago you and he came down here in a wagon, and while crossing the mountains you broke down and by the time you reached Little Rock you were busted and borrowed money from us to go back on (and which you returned promptly)? Well, he is the very man who owes me, and if you can get it out of him I would be very glad of it. He borrowed the month (sic) on Mr. KEETER'S name, and I shall certainly call his attention to it when he comes to settle with the State. If you think you can collect it for me let me know, and greatly oblige. Yours truly & resp., J.H. BLOCKER.

3 Dec. 1890. letterhead: HARRINGTON & PEPPERDINE, Attys. at Law, Springfield, Missouri, to Mr. B.J. Fee, Yellville. Dear Sir, I wrote you several days ago or rather weeks about the lot known as the ORR lot which as you know belonged to my father who has been dead several years, and by his death left the family which consisted of my mother and another brother (as both my sisters were married) in destitute circumstances. And I who am an orphan, as my mother is dead, and who have chosen the Law as my profession. And can candidly say it is as you surely know a big undertaking for a boy who hasent a cent in the world to begin on, only what I make as office boy and am having a hard time to make both ends meet. Write and implore you to recognize this missive which in the record I have written you pertaining to this matter and hope you will kindly let me know on what grounds you claim the lot and whether or not you wish to buy it or continue this per-ecution (sic) of an orphan. If you knew my father I can candidly say that he never done you or any one else a particle of harm, but to the contrary, and if ever you came to him for help in any way you received it, knowing that an old friend of my fathers who if understood this kind of situation in which the family an (sic) placed would not do anything unreasonable to hold them back from getting a start in this world. Praying that you will recognize this poorly written and ungrammatical letter and beleive (sic) one who is in the deepest of despair. I remain, yours to command. JAS. M. PATTERSON.

on the 3rd inst. directed to B.J. Fee which I suppose (sic) was intended for me, in which you say that your father was the owner of a lot called the ORR lot and which you now claim to be the owner and say that I have possession of the same. I have owned several lots and still own four, but I have no such a description in any deed as the ORR lot. In fact there is no such a description in the records; moreover I have taken time and examined the records and I failed to find any lot on the tax books in the name of PATTERSON or where your father ever paid tax on any lot..." s/ B.F. 1 June 1894. Printed Explanation: In justice to Mr. FRANK PACE, who is a candidate for Prosecuting Attorney, and about whom there is now being circulated some grossly untrue statements, we, the undersigned, wish to make this explanation in regard to the "Tackey Party" held at the residence of Mr. J.S. COWDREY last fall. We are not actuated by any political feeling, but by a spirit of justice and fairness, desiring that the truth may be known.

It has been alleged that the young people of Yellville had assembled on this occasion for the purpose of burlesquing the country people, and that Mr. PACE was one of the most active in the affair -- that he laid down in the floor and ate a piece of corn bread or an apple while in that position, saying "This is the way the country folks do when they have something good to eat".

The truth is, and we emphatically affirm it, that there was no such actions, or language, by any one and there was no intention on the part of any one in attendance on this occasion to make sport of any person or class of people. The young people dressed as comically as they could on thia occasion for innocent and harmless amusement, and not intending in any way to make sport or fun at the expence of the good people of Marion County, and we consider it very unjust to charge Mr. PACE with such ungentlemanly conduct, for we were present on the occasion referred to and can truthfully say that he is not guilty. Respectfully, Mrs. SUE LAYTON, Mrs. SADIE WILSON, Mrs. HELLEN COWDREY, JENNIE HUDSON, EMMA HUDSON, Prof. S.E. POTTS, Dr. W.R. BROOKSHER, and J.S. COWDREY.

12 Nov. 1894. Letter from Little Rock to Messrs. FEE & DOWD: The reason why you have not been commissioned is that every commissioned officer must pay \$1 for it as by the late constitution the amount goes into the Treasury instead of as heretofore to the Sec. of State as perquisites. The House organized by electing A.A. PENNINGTON speaker and BRADLEY BUNCH president of the Senate. We received the Gov. message yesterday, an able doc. which was rec'd. with applause by the Senate & House. Gov. BAXTER is today the most popular man in the State and certainly deserves the good wishes and thanks of every honest true hearted patriot in the State. The message is Democratic from beginning to end. As to BROOKS taking possession of the government is "Bosh"; he would have a "Happy" time of it if he dare attempt it. You will see by the papers that the next Congress, that is after 4th of March, will have about 16 majority Democratic. The Tide has turned. The Ball is rolling and carrying everything before it. Get out of the way, Radicalism, you are gone. Thank God Sats (?) can't save you. The Legislature is so far working in great harmony. There is not in the House so far as I have been able to ascertain a single Radical, though there may be some few but say nothing about it. "Tis not popular" just now. I am so busy I cannot write much now, but I hope soon to have more leisure. I send you the Gov's. message. GARLAND will be inaugurated in a day or two. s/ W.B. FLIPPIN.

13 Aug. 1898. Marriage License between Mr. W.P. JEFFERSON of Onset, Marion County, Arkansas, age 27, and Miss GUEN D. WARD of McBERS Lng., Marion County, Arkansas, age 15 years...married by C.N. BAKER, M.G. on Jan. 14, 1898.

1899 Resolutions of Respect, printed "To the Worshipful Master, Officers and Brethren of Lodge No. 117, Free and Accepted Masons", to the memory of Brother A.J. NOE and Brother S.L. VANDZANT, signed by the Committee: B.F. FEE, A.S. CALLAHAN, R.F. PATTERSON, H.I. FEE, S.W. WOODS, and JAMES MEARS.

"Brother NOE was born in the State of Virginia on the 19th day of July, 1823, and at an early age moved to the State of Kentucky, and in 1851 he came to Yellville, Arkansas, which place has been his home ever since that time. He has been a member of the Methodist Church for a number of years -- he was made a Master Mason in this lodge in 1868, and was an honorary member at the time of his death which occurred on the 30th day of April 1899, and was in his 76th year at the time of his death. For three long years he was confined almost wholly to his room with slight changes in his condition; but gradually loosing (sic) the remnant of his strength. Through the long months of last winter he conversed much and at times cheerfully with his friends. Although he did not expect a restoration to health he cherished the hope that the mild season of spring, as he expressed it, would bring to him strength enough to get out in town one time more. But alas! Spring that brings life to all nature, brought no life, nor hope to him. After the month of March, his vital powers rapidly wasted away. For weeks he lay patiently awaiting the stroke of death. But the approach of the Grim destroyer had no terrors for him -- no clouds hung over his future -- he met the end with resignation and composure and his pathway to the grave was brightened by the immortal hopes which springs (sic) from the Christain (sic) faith. It will assuage the grief of his family to know that he looked hopefully beyond the tomb and his far away friends will rejoice to hear that in his last hours he reposed with simplicity and confidence upon the promises of the Gospel. During periods of his long confinement, his suffering was heart rending. No circumstances of torture or of horror was omitted from the awful ordeal through which he slowly passed. He sought the aid of science, for life was sweet to him. But finally, for months before he passed in under the deep shadow of death, he told his friends that he was ready to submit to the decree of providence -- that he had suffered a thousand deaths".

"Brother VANZANT was born in McNim (probably McMinn) Co., Tenn., on March 31, 1831, and removed to Marion Co., Ark. in 1854 -- joined the M.E. Church South in 1866, and lived a consistent and faithful member up to the time of his death, which occurred on the 11th day of May, 1899, in the 69th year of his age. He was in the procession at the Masonic funeral services over Brother NOE on the 30th of April, 1899,

"MARION COUNTY, ARKANSAS"

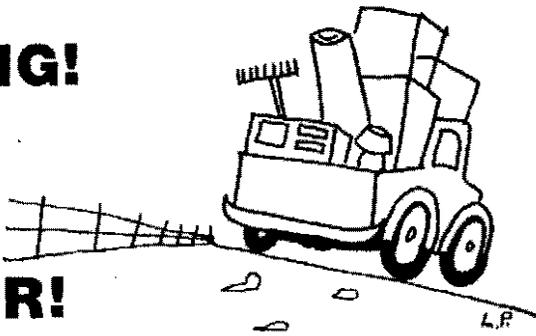

and carried the Three Great Lights. Brethren, how shall the dreadful contrast which flashes on every mind be spoken? To Brother VANZANT death did not come in its appal (sic) form, wearing its most cruel and ghastly mien. But at the touch of its icy hand he went down like an infant to gentle sleep, without a moan, or sigh, or pain, he passed in an instant from light of earth to the city of everlasting light. Fortunate man -- fortunate in life and still more fortunate in death. Not a moment in the dark valley, as the shadows between the two worlds, he closed his aged eyes upon the joys of time, and quick as a thought opened them upon the brighter visions of eternity".

4 Apr. 1900. Letter from B.F. Fee at Yellville to Mr. DAN McCURREY. My Dear Sir, Your very strange letter reached my hands this evening. I have been away canvassing Cleburne and VanBuren Counties and have just come in home and found your letter awaiting me and not withstanding your advice for me to wait and give way, I have carried Cleburne County over your bosom friend and the election held here on the 31st of March, 816 good Democrats said in this county by their votes that I had not made a mistake and not withstanding your threat that you would try to carry things your way, I have concluded to remain in the race. And now I want to say to you that you can't pull the wool over my eyes like you think you did J.C.FLOYD. So if you desire you can turn loose your Doggs of War. You profess to be a Christian and you know the kind of men you have supported for office. I also know the same and if you see fit to enter this race as a henchman for my opponents then I purpose (sic) to ventilate you upon every stump in this District, so you can do just as you please. Dan, I know that you are no friend of mine and have known it all the time. Doubtless you thought that I considered you as such, but to be plain I never did and more than that I never will. I know lots of things that you may think I never dreamed of, so do just as you please. Respectfully.  
(Note: Marion County election returns: B.F. Fee 816, J.M. Shinn 272).

DeMOSS T.M. Pearce, Dept. of English, Humanities Building 217, The University of  
SALLEE New Mexico, Albuquerque, New Mexico 87131 - My Mother's name was Josephine  
Calla DeMOSS, and her mother was Isophine SALLEE DeMOSS. Mother had an aunt  
who may have lived in Pine Bluff, Jefferson Co., AR. (or perhaps some other Arkansas Commu-  
nity). I also recall my Mother, telling of a relative who was named, Capt. DeMOSS, who was in  
charge of a boat, which may have operated on the Arkansas River. Mother told me that Aunt  
Josephine would go to Kentucky, when the cotton crop in Arkansas had been sold! How often  
she went, is not known, since all these events happened before my birth in 1902. Now at this  
late date I am interested to find if any DeMOSS data is available (or also data on the name  
SALLEE).

A lady named CAUGHRON has prepared a booklet called "THE DeMOSS Family in America". I gave  
a copy of it to the Special Collections branch of the Albuquerque Public Library. It con-  
tains considerable data on the DeMOSS Group in Kentucky, including pictures of the private  
graveyard of Peter DeMOSS in Mentor, Kentuck, from 1819 until some fifty years later:

I knew John Gould Fletcher and Charlie May Simon, both old-timers in Little Rock. Some  
years ago my wife and I were in Little Rock and visited the mansion of Albert Pike, who wrote  
Prose Sketches and Poems (1834), one of the earliest in Anglo-American terms of books about  
the American Southwest. So my ties to Arkansas are both family history, vague but there, in  
literary terms, definite if not very extensive. I would like to correspond with anyone with  
knowledge of any of these people, or a suggestion as to where and how I might further my  
search.

PHILLIPS Mrs. Robert L. Blanck (Marilyn Mullinix Blanck) 812 North Hidalgo Ave.,  
Alhambra, CA 91801 - I would like to correspond with anyone with knowledge  
of Louisa Adelaide PHILLIPS, b. 26 Jan 1837, Nashville, TN., married 2 Aug. 1859, Cumberland  
Co., KY (no proof of place) lived in Cumberland Co., KY from at least 1860, died 7 Mar. 1892,  
Ventura Co., CA. Seems to have lived for a time in Arkansas (had a trunk with lettering  
"Louisa Adelaide Phillips, Little Rock, Arkansas". Her father was born in TN (definitely pre-  
1820 and her mother supposed to have been born in Virginia. Her children: Elizabeth Louise;  
Olivia Ellen; Lucy Frances; Mary Agnes; James Haggard (Haggard was the Dr. in Cumberland Co.,  
KY.); Addie Martin; William Samuel; and Georgia.

I believe there is a connection with the family of Phillip Phillips, Kentucky pioneer who  
moved to Nashville area in 1790s. There may also be connection with family of Joseph  
Phillips, Nashville pioneer. Characteristic physical trait: cleft in tip of nose!

I have checked every PHILLIPS/ PHILIPS/ PHELPS in Tennessee and Kentucky 1850 census; and  
Louisa Adelaide is not among them! Also checked through the Madison Co., Arkansas group,  
which I am sure are related. NO Louisa Adelaide, or similar name, was in Madison Co., AR  
either! These PHILLIPSES seem to be a rather strong family there is apt to be much more  
about them than I have found. My suspicion is this: the father of Louisa Adelaide moved the  
family from TN to Arkansas in the 1840s, and had died by 1850. Can anyone come up with any  
ideas as to who this father might be! based on these miserable clues???

I am hoping that someone might have access to: family histories, which I have not seen.  
Marriage records for Arkansas, in case Louisa A. was married in Arkansas and not in Kentucky.  
Records of guardianship for orphans. Phillips/ Phillips WILLS which I have not examined. An  
Arkansas census at some period between 1840-1860, from the "off" years, i.e., 1845, 1855??  
A list of men surnamed PHILLIPS/ PHILIPS who resided in Arkansas from 1840-1860. Mortality  
schedules.

This is terrible family to research, because there are so many branches, with so many sons  
in the same generation, moving all over the American South. They seemed to speculate in land  
and moved around quite a bit. Can anyone please help?

PHILLIPS Lamona Phillips, 2402 Sycamore, Wasco, CA 93280 - My husband, Bob E. PHILLIPS'

(date from death record, shows born Kibler, Crawford Co., AR. Possible a "Dee" nickname -

2nd marriage of Joseph B. Phillips (still in Arkansas) Evelene Pitcock (or Pideack) no

be her birth date? Children moved to Oklahoma (only two): Jewel Pauline Phillips, 8-4-1895

in 1910 Joseph B. Phillips family was in Chandlor, OK and his wife Evelene (or Evelyn) died Jan. 27, 1910, Chandler, OK. James Henry Phillips married Rathel Sells. Can anyone please suggest how I can locate additional data on any of these people? I will gladly share!

POINSETT CO., Mrs. Sheryl Busterno, P O Box 15, Blue Jay, CA 92317 - Can anyone please help AR CEMETERY with information on cemetery records in Poinsett Co., AR.? My great grand- RECORDS father, Lafayette GOLDMAN, is buried in an unmarked grave in an old cemetery "about 1 mile north of Trumann, between Trumann and Himan, Ark." A visit there by relatives in 1954, found the cemetery but not the grave (I have a photograph they took of the site.) I do not have any idea of the date of death, and that is what my goal is to find. He was born in 1848, so I would guess that he died any time between about 1900 and 1930. If I could locate anyone with record of this cemetery, I might be able to get the year. MORE SANDERS/SAUNDERS RESEARCH - Bobbie Jones McLane

During my years of correspondence with Mrs. Fletcher King concerning Sanders/SAUNDERS research, she was attempting to learn the names of the parents of JULIUS SAUNDERS (SANDERS) who was born between 1760 and 1770, and by 1789 was in Greene Co., Ga.; 1802 in Clarke Co., Ga; 1830 in White Co., Tenn. where he evidently died about 1837. In 1807 John L. Sanders and the above Julius Saunders had debt in Clark Co. Ga. for some iron; this John L. Saunders was in Putnam Co. Ga. in 1820 census, and in 1810/11 married Elizabeth Hathorn in Putnam Co. Ga.

He was in the War of 1812 from Milledgeville, Ga., where he mustered in. In 1830, one John L. Sanders was in Shelby Co., Tenn.

In 1850 census of Saline Co., Ark. is listed John L. Sanders. Note that Hamlin Sanders was also in this county in 1850 - both are in tax books. We believe Hamlin to be the son of John L. Descendants of Hamlin state that he had a brother Julius.

Executor of the last will and testament of the deceased and also guardian of said minor, John Westly Sanders during his minority. We have a complete copy of this probate record from Ouachita Parish, which includes the transcript sent on from Hot Spring Co.; the will, appraisement of the estate, letters of appointment, etc. Lurana Sanders was one of the witnesses to the will. Securities for Benjamins' bond included an Elihu Sanders and a J. M. Sanders.

Mrs. King believed that this Sanders family lived at one time in Lowndes Co., Miss. Elijah Sanders married Margaret Rigsby in 1835 in Lowndes Co. Elihu, Elijah B., Reuben P., George W. C. Saunders (Sanders) were in White Co., Tenn. about 1810, about 1817 went to Madison Co., Ala., then to Lowndes Co. near Columbus, Miss. Mrs. King stated Elijah B. also went to Miss. with descendants possibly accompanying Elihu Sanders to Arkansas by 1850 where they are in Hot Spring Co. Two other Elihu Sanders, most likely father and son, and either son and grandson of Elihu or of Elijah, were in Van Buren Co., Arkansas in 1850 through 1880.

Another letter in the old Bible

March 7, 1895

Gertie dear: Needs I sit myself to write you a few lines to let you know that we are well and these few lines will find you all well. Gertie, you don't know how bad I want to see you since I saw your picture, it looks so much like you. I want to tell your Uncle Tom if he wants to ask your Aunt Mary? of so \_\_\_ I will let Ada go and stay with them some when you marry. I don't think we ought to keep you and her apart always.

Well Gertie you said you wanted to know if you was old enough to marry, I guess you was old enough to marry, I guess you are, you was 18 the 27th of last November.

Gertie, I want you to write to me whether you are going to marry or not. Eppers health is not any better. I guess it is worse, she has them spells nearly all of the time. I want to see you awful bad. I think you ought to come home this summer and see us. Ada said you must come out this summer and bring your old man and she would take a good look at her little fellow and he will grin at you all the time.

Well, I will tell you Ada's, William and James ages so you will know their ages. Well I will colse for this time hoping to hear from you soon.

(The signature on the letter looks like J J and Bettie Thas or Thos)

I understand there was a Dr. Owens in Harrison, Arkansas whose father lived near Western Grove, Newton CO., AR. Maybe some of his family is still around Harrison or Western Grove.

I am the Publisher of the new Vernon Co. Genealogical Society's magazine "Bushwhackers and Rock Thumpers" that covers the counties of Barton, Bates, Cedar, Dade, and Vernon Co. in MO. We only charge \$5. a year and have around 200 subscribers so far. I am also a Director of the Vernon Co. Historical Society at Nevada, MO. So if I may be of help to some of the members of AGS let me know. I have the 1900 & 1910 Federal Census of Vernon Co., MO on my Apple II Computer. We are also putting all the records we can on the Computer. Hope to eventually have all of the families on the Vernon Co. Federal Census from the first Census on file. I am also transcribing the Old Newspapers from Vernon Co. in my computer. Can anyone please help locate the above mentioned graves?

LEE Rodney S. Lee, 359 Monroe St., Mation, Ohio 43302 - I am attempting to locate  
two half sisters and one half brother. My father was Thomas W. LEE. I have  
very little information, except that I know he was born about 1896 and married my mother in  
Grenada, Miss., about 1914. I was made aware of him, and visited with him at his home in  
Carlisle, Lonoke Co., AR., in 1942. He may have lived in Hazen, AR prior to moving to  
Carlisle. At the time I visited with him, he had one son by his 2nd wife and 2 daughters.  
One daughter was named Letha (not sure of spelling). I only visited one day, and heard  
after my visit, he moved to Little Rock and was in the automobile business. (not sure if  
this is true or not). If alive, he would now be about 88 years old. I would very much like  
to correspond with any of his survivors. No doubt the daughters have married and I have no  
idea their married name. Can anyone please help?

Marie AUSTIN, born in Kingston, AR 11 Sept. 1911, daughter of Jess Hendrick (Hendrix) AUSTIN  
and Christopher (Callie) Caldonia WEATHERS. Jess was born 4 March 1881, Loy, Madison Co.,  
AR. We believe the town of Weathers, Arkansas was named after some of her relatives. They  
came to Oklahoma by covered wagon. Married on 16 July 1905 (place unknown). Jess is the  
son of Charles Greenberry AUSTIN and Katherine Ann HILLARD. Callis is the daughter of C.B.  
WEATHERS and Rebecca Ann (?). It is believed that Jess is one of three sons born to Charles  
and Kate. The other 3 are possibly named Dick and Jim. We do not know if there were any  
sisters or other brothers. I would like to correspond with anyone interested in this AUSTIN  
branch and will gladly exchange the info. I have. Additional info. will be appreciated!

CLINE Susan E. Nickel, 1554 Beach St., San Francisco, CA 94123 - I am trying to find  
proof of birth on my maternal grandmother. I think she was born 8 Nov. 1905  
on the Cherokee Reservation near Fort Smith. Her name was Mildred Susan CLINE. She had a  
younger sister named Ola Etta CLINE, and a brother named Lowell CLINE (also born there).  
Can anyone please help?

JAMES Alma C. Davis, 309 E. Bush, Fort Bragg, CA 95437 - I need HELP! Almost all I  
have to begin my genealogy research with, is stories told to me by my mother &  
great aunts. I was 1st told our great great grandfather, William C. JAMES, was a brother to  
Jesse JAMES' father. Has a history of that family been published? If William was a near  
relative, I hope his name might be mentioned!

William C. JAMES met and married a Choctaw girl, who had run away from the "Tears of Trail  
March!" William's family was said to have had a large plantation on White River. Their  
daughter, Elizabeth lived on that plantation, and was scalled by a colored woman (by throw-  
ing scalling water on her back). The grandfather, we were told, killed some colored people  
over it. Hid in a tree with sacking and peppers, so the dogs and posse couldnot find him,  
until a friend came along. His wife was to meet him in another state! The marriage must  
have taken place there. The plantation was supposed to have been around the March crossing  
on White River.

In 1850 William C. JAMES was given a certificate #72 for 640 acres, in Dallas Co., Texas.  
After the death of the Indian woman (both the baby and mother died), he married a Mary Ann  
JAMES. Certificate-Grant? was given (we believe) while he was married to the Indian woman.  
Would like to learn the year she died. I would like to have a suggestion, as to where I  
might search, both Indian and War Records, or any other records that might be helpful.

WALLACE Norma Wallis Coffey, 22080 Wallace Dr., Cupertino, CA 95014 (408-245-4890)  
WALLIS Burrell WALLACE (or WALLIS) is my great grandfather and I need help finding  
WILLIAMS the names of his parents! What was his full given name and what happened to  
him. St. Francis Co., AR 1850 census (Johnson Township) shows: Burrell  
WALLACE, age 25, b. TN., with wife Elizabeth, age 27 b. TN. There were 5 WILLIAMS children,  
ages 6 to 16 all born in TN and Mary Francis WALLACE, age 2 born Arkansas. I have been un-  
able to find this family o- the census for 1860, with the exception of 2 WILLIAMS children,  
that have moved on and/or married. I have Land Deeds where Burrell WALLACE and a Philip  
GATLIN bought land from a Resin TALBERT in 1863/64 in Monroe/Woodruff Cos. In 1867 Eliza-  
beth goes to Court in Woodruff/Monroe County and has the shere from P. GATLIN also paid by  
her and put in her name. Mary Francis married Albert HOOD, 1865 in Woodruff Co., AR. On  
the Monroe Co., Richland Twp. Census of 1870, Elizabeth is shown with son John WALLACE, 16  
and William David, 11 (my grandfather); plus she has 3 young girls: Nancy; Pamela Beckett;  
and Clementine Brown, living with her. Elizabeth's age has now changed and she's aged 25  
years in 20 and born in South Carolina. Her WILLIAMS children are all married and I know  
where they were with the exception of 2 daughters. I would like to know the names of the  
parents of Burrell and Elizabeth's name before she married a WILLIAMS. From the Goodspeed  
History Book of Yell Co., AR it gives the name as a J. WILLIAMS of TN. I've written to many  
counties in TN for Elizabeth WILLIAMS marriage to Burrell WALLACE, but no luck to this date.  
I've reason to believe Elizabeth was a BECKETT or TALBERT (but can't prove that). I've  
written to Monroe, St. Francis & other counties in Arkansas for a marriage record, but also  
no lick. All the WALLACE and WILLIAMS children married and lived in Yell Co., AR until  
their deaths. Elizabeth died between 1874-1880 probably in Monroe Co., AR. I do not know  
if Burrell was in the Civil War, but with just BURRELL WALLACE or WALLIS to go on and  
Elizabeth not living to draw a Pension, they could find nothing for me! Any information  
will be appreciated. Will reimburse any cost. Will share any lines I'm working on: HOOD  
PETTITT, VAUGHT, COFFER, BECKETT, BISHOP, ROBERTS, FLOWERS, HICKS, ISRAEL, BRISCO, HURSH  
SCARBROUGH, TOLBERT OR TALBERT.

SKINNER Cheryl Rice Skinner (Mrs. Stephen Leon Skinner) Rt 1 Box 79, Tuskahoma, OK 74574 (phone 918-563-4403) - When I first wrote ARKANSAS GENEALOGICAL SOCIETY a few weeks ago, I was unaware of all the group had to offer. I recently received my first three issues of our ARKANSAS FAMILY HISTORIAN and have thoroughly enjoyed them! At the time I wrote and asked for information on where to get help on a number of lines and since reading the Query section of our magazine, I would like to submit my information with a few extra names and more detail.

I (along with my family) recently moved to S.E. Oklahoma. My interest in genealogy is new (1 year) but my enthusiasm is increasing! We chose S.E. Oklahoma, because of it's natural beauty and we were exhausted with city life (name withheld by Editor!!!) While my husband was a native "Okie" we still had no family in the area of Oklahoma. We chose - or so I thought! We are now learning, through genealogy, that the majority of our relatives (mine too!) came from the hills of Arkansas less than 50 miles from where we chose to live! As a writer & former reporter, I would like to hear from others, who were drawn "mysteriously" back to their roots. I've heard this is not uncommon and I believe it would make a great story! Also any help on the following Arkansas Families would be greatly appreciated!

Stephen Trigg SKINNER, b. 1811 (?) Tennessee died (? date) Boston, Madison Co., AR. Stephen married a Margaret LAMAR in Madison Co., 1870-80 exact date unknown) They had several (at least 4) children: Albert; Wilburn and Charles Neoman SKINNER, b. 1891, Madison Co.) are the only ones we know for sure. Charles Neoman SKINNER married Bertha Clearrinda MURPHY, dau. of John William (or Wilburn MURPHY and Winnie Brunetta HALSELL (or HALLSELL) in 1914. They had 6 children: Winnie; Delle; Lenore; Cecil; Charles Jack; James; Leon; and Ruby Jewel.

Bertha Clearrinda Halsell MURPHY SKINNER was born in Talequah, OK in 1901. Her father John Wilburn MURPHY was born in Georgia and her mother, Winnie Brunetta HALLSELL was born in AR. Family information of late says, Winnie HALLSELL & her family had Indian land in Webbers Falls, OK in the early 1900s. They reportedly had a fire that destroyed their cabin and legal documents and the land was eventually taken from them. They were apparently of Cherokee decent - although thus far I've found no roll numbers to verify this information.

I am also researching NICHOLS-WHISENHUNT lines in Arkansas. James and Irena (maiden name unknown, but reportedly a Cherokee woman) came from Alabama in the early 1800s. They had a number of children. One being a Lavender NICHOLS. Lavender was married to a Mary Ann GRIGSBY in Arkansas and they had the following children: George W.; Amanda Jane; Rebecca; Martha; Alec; Jim; Joe Cephus; Elija (or Lige); Evelyn; Cora; Tom; and Tima (or Time).

Amanda Jane NICHOLS married Green Leo WHISENHUNT in Polk Co., AR (Cove-Hatfield area) and had the following children: Robert; Frank; A. D.; Carl; Mollie; Emma; Gracie Pearl; Elsie & Lee. All of these children were born in Arkansas (Polk Co., Hatfield Cove area) in the late 1800s & early 1900s.

Gracie Pearl WHISENHUNT married Gilbert Henry TIBBS (son of William Edmond TIBBS and Annie Jane AVANTS, also from the Mena-Hatfield-Cove area of Polk Co., AR. I have very few tidbits of information on TIBBS or AVANTS. I am awaiting some material and will give more information on these family lines later. I do know William Edmond TIBBS was a sawmill worker who migrated to Arkansas during the mid 1800s from Kentucky. Annie AVANTS was born in Arkansas.

Gracie Pearl & Gilbert H. TIBBS moved into the Smithfield area of Okla. and later to Tulsa where they had 3 children during the 1920s: Roy; Ruby Pearl and Coy TIBBS.

I am also (I mentioned I was enthusiastic!) researching the RICE-WOOLSEY (or WOOLSEY) lines. James Lee RICE, b. 1879, Kentucky married Katy Patience WOOLSEY, b. 1879? Texas (possibly Brown County). Katy P. WOOLSEY RICE was the daughter of a Willie WOOLSEY who was born in the Mena (Mill Creek) area (Polk Co. area) presumably in the mid 1800s. James Lee & Katy P. RICE had a number of children (all born in Brown Co. (Brooksmithe) Texas. However according to information received recently, the family, including the following (possibly more) children moved to Mena after 1910. The children were: Charles Edwin; James; George W.; and other still unknown! all lived in Arkansas until 1920s when at least some of the children moved back to Brown Co., TX. Charles E. RICE had a son, Charles Edward RICE in 1922 in Brown Co., TX (mother was Nellie Clark) this family is still a mystery - also possibly originated in Arkansas area). A year ago, I only know our grandparents names and as all you (con't next page)

SKINNER, ETC (Cont'd)

OBRIEN Elis G. Daws (Mrs. Fred) Box 73, Centreville, AL 35042 - HELP! HELP! I have  
HARBOUR tried for 4 years to find the parents of my great grandmother, Mary Elizabeth  
OBRIEN "Molly". According to census records, she was born in Arkansas, as was  
her mother (whoever that was) and her father was born in Ireland. Her tombstone states that  
she was born 9 April 1845 and died in 1900 in Kemepr Co., Miss. The 1900 census says she was  
born May 1842. The 1880 gives age as 34 which makes her born in 1846 and the 1870 census  
gives another year. She married William Talmon HARBOUR in Kerr Co., TX on 30 Sept. 1863.  
I write a weekly column for the local weekly "The Centreville Press" called "Lost and Found  
Ancestors". If I can return the favor in any way, I will be glad to do so.

The KEYS back to 1687. I write mine in a note book & try to tell any bit of news about each, to make it more interesting.

**WYLIE** My four daughters do not show much interest in family history, but my little grandchildren, ask questions. I know if I do not record something, after my day the grandchildren will have no one to ask! I have let most of my elderly relatives slip away, without asking some important questions. My oldest brother is 84 years old and I find him very helpful, when I want to ask something! I would like to encourage others to find time to write something for their grandchildren, etc.

Especially would like to learn the maiden name of my great grandmother, Tempa BELLAMY, wife of my g. grandfather, James M. BELLAMY. In an 1880 census page 532 line 7272 she is listed as T. M. but on a warranty Deed she is listed as Tempa P. This Deed was recorded March 1912 in Pulaski Co., AR., although it was dated in Jan. 23rd 1879. I need a copy of marriage record for James M. & Tempa P. (married sometime after the Civil War). I think James was in the Civil War. My grandfather, John V. was their oldest child & he was born in 1877/8. Also death certificate would be great (if proof could be obtained elsewhere). Jas. M. was listed in a census 1860 in Prairie Co., AR with his parents: page 45 #923 line 30. I can be reached at 1-817-429-3028, if someone will try to help! In the 1860 census the name BELLAMY was misspelled (BILKIANY) but it's the right family!

**LEWISBURG ARKANSAS?** Dwight G. Robinson, 11713 E. 78th St., Raytown, MO 64138 I have been doing research on one of my ancestors during the Civil War period. His military records show that his unit, Company M, 9th regiment, Iowa Cavalry, was located at Lewisburg (Louisburg?) in the spring of 1864. The records show the town name spelled both ways, but I have been unable to find the town by either spelling on any of my Arkansas maps. I realize town names can change, cease to exist or I might have poor maps. In any case, I will appreciate any help on information, history, etc. **EDITOR'S NOTE:** This is now a part of Morrilton in Conway Co., AR.

Thanks Bobbie, we were really collecting a bunch!

ALABAMA MORTALITY SCHEDULE 1850, by Marilyn Davis, pub. 1983,

288 pp. including full name index, cloth bound, \$22.50. This list contains the names of persons dying within the 12 months preceding the taking of the 1850 census in Alabama (from June 1849 to June 1850). Other information given is the age, sex, color, whether a free person or a slave, place of birth, occupation, month of death, cause of death, and number of days sick. Approximately 4,500 free persons and 2,500 slaves are listed giving valuable insight on these 7,000 people. At the bottom of each page on the census was a place for remarks. Some of the assistant marshalls who took the census added additional information on the people who died. A very valuable addition to the 1850 census record.

OLD SPARTA & ELBA LAND OFFICE RECORDS & MILITARY WARRANTS, 1822-1860

by Marilyn Davis Hahn, pub. 1983, 202 pp., including full name index, cloth bound, \$20.00. The Land Office opened in Sparta, AL in 1822 in territory taken from the Cahaba Land Office and was later transferred to Elba in 1854. All the land sold out of these offices was located in the extreme southern part of Alabama bordering Florida. Five ledgers from the Land Offices have been compiled in this book including two on Military Bounty Land Warrants. Nearly 8,000 early settlers are listed. This third book in a series on the old land offices of Alabama adds valuable information on the early history of that state.

OLD ST. STEPHEN'S LAND OFFICE RECORDS & AMERICAN STATE PAPERS, PUBLIC

LANDS, VOL. I, 1768-1888, by Marilyn Davis Hahn, pub. 1983, 196 pp. including full name index, cloth bound, \$20.00. This book, dealing with records from the St. Stephen's land office, is the second in a series of books on the early Alabama Land Offices. Contained in it are the Spanish Land Grants, six ledgers of the St. Stephens Land Office, and Vol. 1 of the American State Papers, Old Series, covering the time span from 1768 to 1888 with references as far back as 1745. Over 6,000 early settlers in what is now the State of Alabama and the southern portion of the State of Mississippi are listed. These records will serve as an excellent aide to researchers in locating early settlers in this area.

The above three books may be ordered from Southern Historical Press, Inc. c/o The Rev. S. Emmett Lucas, Jr., P. O. Box 738, Easley, SC 29640.

This book is well done, listing the location of each cemetery and tombstone inscriptions from 16 cemeteries in Carter County. Corrections and listings of unmarked graves for Volume I and II are also included. There is an index covering 1300 surnames. These cemeteries were copied in their entirety. Any gravestone, funeral home marker, or field stone which could be read in part, or in whole, is included. Any additional information given on the stone, such as birth place, marriage date, or military service is cited. This volume would be a welcome addition to the library of anyone researching families in this area of Oklahoma. It may be ordered from SEARCH-N-PRINT, P.O. Box 777, Farmersville, TX 75031, price \$14.75 (Texas residents add 74¢ state tax). Volume I, containing inscriptions from 31 cemeteries in this county is also available at the same price. A list of cemeteries found in these books may be obtained by sending a self-addressed, stamped envelope to the publishers. A welcome addition to our ARKANSAS GENEALOGICAL SOCIETY'S LIBRARY.

"THE HULSEY RESEARCHER" 1982, 8½ x 11", p. 187 thru 255, soft cover. This 68 page booklet is apparently a continuation of an earlier volume (p. 1 thru 186); contains issues for January thru December 1982, and an Index of Hulsey names as well as allied surnames for 1983 (?) Ms. Lou Pero has included many miscellaneous records concerning present-day Hulseys (obituaries, letters, etc.) as well as past generations, which include pictures, census records, WILLS, documented sketches, land records, pedigree charts, all pertaining to the Hulsey surname. There was no indication as to a subscription price, but contact may be made with the publisher at P. O. Box 488, Bend, OR 97701. While these newsletters are published by a spirit "Ditto" process, which will fade, it is gratifying to all genealogists that individuals such as Mrs. Pero will take on the task of publishing newsletters to share information with others researching the same families. We appreciate her sending a copy to AGS.

REVIEW OF BOOKS CONTRIBUTED TO THE ARKANSAS GENEALOGICAL SOCIETY  
(these books are housed permanently in the Local History & Genealogy Room of the Little Rock Public Library, and the Society expresses its generous thanks for the contributions.)

1850 Census, Marion County, Arkansas. Transcribed and indexed by Nancy L. Wood, 4643 S. 28 W. Ave., Tulsa OK 74107, paperback, \$8.00.

This is a complete transcription of the microfilm, to the inclusion of parenthetic marginal comments of the census taker, e.g. "This family consists of five members, but was absent when I called.." and again, "This is the fellow who did not know the name of his own wife until his son little Mick put him right". The census was taken at the end of the bloody Tutt-Everett War, at which time all the Tutts were dead or run off, and the ranks of the Everett's were seriously decimated. Members of 363 households are enlisted, with age, sex, race, occupation and state of birth.

The Francis Redfearn Family: A Study of the Family of Francis Redfearn (1777-1858), his Wife, Ruth Milner (1779-1857) and Their Three Sons and Three Daughters, by Louise Redfearn Pells, 96 Townhouse Lane, Corpus Christi TX 78412, hardback, 761 pages, indexed, \$30.00 postpaid.

The REDFEARN family emigrated from England in 1830 and settled in Wayne and Hancock Counties, Ohio, before moving to Jo Daviess Co., Illinois and contiguous Lafayette Co., Wisconsin, where they all farmed. The youngest son, Joseph, remained in Hancock and Wood Counties, Ohio, all his life. The allied families of the daughters include the names GOLDSBOROUGH, LEVITT and ATEN.

Two of the grandsons of Francis and Ruth Redfearn married daughters of Joseph and Susanna (GREENWALT) LASH of Westmoreland Co. Penna., and one large section of this volume is devoted to their descendants in Ohio and Nebraska. This comprehensive volume is carefully and compellingly documented, and represents an enormous investment of study and research. Mrs. Pells is to be congratulated for an estimable contribution to the genealogical world.

Conway County, Arkansas. Wills and Probate Court Records, by Emogene Tindall, 5310 Wood St., North Little Rock AR 72118, softback, \$9.00.

The prodigious Mrs. Tindall has transcribed herein some of the most valuable information in the Conway County Court House records, at least as seen by family historians. A complete listing of the names and dates in every Conway Co. will and administrative record from 1826 to 1935 is recorded, although many of the earlier county records were destroyed by flood. Since this is the best source of family group information available, particularly for events prior to the 1850 U.S. census, members with ancestors/neighbors in the Morrilton area should be sure to scan the computerized index of this volume for clues to those missing family members!

Wright Family Workbook, Vol. 1, No. 1, by Claudette's, P.O. Box 37010, Bloomington, Minnesota 55431. This is a family magazine, due to be published each year in Jan., May and Aug., for \$10.00 per annum. In this first issue of WRIGHT research one finds: Maryland Revolutionary War records; Dallas Co. (Iowa) Census Records 1850; Greene Co. (Iowa) Marriages; abstracts of a 1973 book "PETTY, WRIGHT, RILEY and Related Families"; a resume of William WRIGHT, Jr. (1828-1853) from an atlas of Bartholomew Co., Indiana; a resume on Dr. Thomas Jefferson WRIGHT (1836-1905) taken from a Johnson Co. MO newspaper; Texas census records 1860 to 1900; Ohio cemetery records; early Plymouth Colony (Mass.) marriages, and much more. All families researching WRIGHT will want to consider subscribing to this unique new source.

Little River County, Arkansas, Cemetery Census, indexed by name and locale, two volume softback set for \$21.50 postpaid. Order from Southwest Arkansas Regional Archives, Old Washington Historic State Park, Washington AR 71862.

Little River County (located just north of Texarkana; Ashdown is the county seat) is one of those great places in Arkansas whose rich history is almost unavailable in printed form; this set of cemetery records is therefore especially welcome to genealogists. Inscriptions were copied primarily by CETA workers during 1979, using North to South or East to West rows. Typing and proofing were done by volunteers for the Southwest Arkansas Regional Archives (SARA). Vol. I contains burials in 17 cemeteries, A through E, 102 pages plus index and map. Vol. II contains burials in 33 additional cemeteries, F through Z, 91 pages plus index and map.
